

## **NGSX Policy Statement In-Person Professional Learning**

In accordance with federal CDC guidance along with a number of state-based executive orders, made to protect public health by limiting public gatherings and requiring social distancing during the COVID-19 emergency, NGSX professional learning pathway sessions will occur only virtually at least through the summer of 2021. Continuation of NGSX sessions of teacher and administrator learning is a high priority. We have worked closely with NGSX pathway designers, facilitators and program managers to make virtual pathway sessions that are well-aligned with and reflective of the high quality that is a hallmark of NGSX, while maximizing the safety of all participants and NGSX staff. Please feel free to contact NGSX at [nextgenexemplar@gmail.com](mailto:nextgenexemplar@gmail.com) with any questions.
